

CAS SciFinder Discovery Platform™ Trial

13 AUGUST - NOVEMBER 12, 2024

King Mongkut's University of Technology Thonburi now has access to the CAS SciFinder Discovery Platform™, widely used by top universities around the world.

WHAT'S INCLUDED?

CAS SciFinder®

- Search scientific references, substances, and reactions.
- View bioactivity and toxicity data.
- Create and analyze retrosynthetic plans.
- Search and view GHS hazard statements.
- Accelerate your patent efforts.
